ENEME

SYNOPSIS

After several years in Russian prison, Chris returns home. His father Leonard operates illegal arms trading under the guise of a reputable coffin business. He tries to reintegrate his son in the machinations. Chris, in turn, wants to turn his back on the business, but not without freeing his younger brother Andre from the clutches of his father. This creates a network of intrigue and betrayal and the relationship of the two brothers is put to the test.

DIRECTOR

Jakob Gisik was born in 1979 and is a German filmmaker. Since the beginning of the 2000s he was a cameraman and assistant director for numerous commercials and feature films. ENEME is Jakob's debut as a feature film director.
